### SMALL TALK

1. We all want to be known for something. What do you want to be known for?

### VIEWPOINT

2. Read Galatians 6:2-3. What are some ways we might deceive ourselves?
3. Read Matthew 5:20. How must our version of following God “surpass” that of the Pharisees, the religious elite in first century Judaism?
4. READ James 6:16. What is God’s “get real” solution and how is it different than the average person thinks? What are some of the reasons this so powerful?

### GETTING PERSONAL

5. Do you ever wish you could be more REAL with REAL friends for REAL change?
6. How are you tempted to present the “imaginary me”? What are some of the reasons you do this?

### MAKING PROGRESS

7. This series is working on one of our core statements, which is “Don’t Do Life Alone.” What do you think of the “GroupLink” event (January 28th) to start an 8 week “try it before you buy it” Small Group? Does a Small Group that commits to helping each other take steps to follow Jesus sound attractive to you?
