SMALL TALK

1. When you were growing up what was your family’s money experience? Everything was tense and tight? We usually had enough? There was always plenty? Other?
2. If just one material thing could make your life easier or better, what would it be?

VIEWPOINT

3. **READ 2 Corinthians 9:6-15.** Why does Paul compare giving generously with farming? What are the principles he teaches?
4. **READ Isaiah 58:1-11.** Where did the outward appearance and habits of Israel’s religiosity fall short?
5. **READ Matthew 6:33.** What is Jesus’ antidote for worry? How are the promises of God different than “the prosperity gospel”?

GETTING PERSONAL

6. Have you ever seen God guide you to a place where He also provided for you?
7. Have you ever seen God multiply your generosity? What happened?
8. Have you ever experienced a miracle of provision? How were you changed by it?
9. Do you need any miraculous provision in your life right now? How can we pray about it together as a group?

MAKING PROGRESS

10. One of WVCC’s core statements is “Do First Things First.” We often tend to live for ourselves first and then we give God our leftovers, if there is any. Jesus taught us to live FIRST for the Kingdom. We can do this by offering ourselves to God first thing in our day and worshipping him together in the first of our week and worshipping him with the first of our income. Have you seen how this makes a difference in your life?
